

OUR SPECIAL WORSHIP CENTER

Our Worship Center is a very special place to be with God,
to talk with God, to listen to God and to hear stories of
God

We walk more slowly, talk more softly, we sit in a circle.

We greet each other:

The Leader says “The Lord be with You”

The Children say “And also with You”

We talk to God by singing. After singing

“Be Still and Know that I am God”

the story is told by the Leader.

The Christ candle is lit as we say,

“Jesus is the Light of the World”.

Following Bible reading and Prayers a Feast is served.

Activity around the round table is followed by gathering
again for the song of benediction and a special blessing.

God Loves You; Go now in Peace

Children from 2nd grade up are fondly known as “The Olders.”

We meet where we can enjoy comfortable chairs set up to maximize conversation.

Each week, we discuss the same story as our younger friends who are in Children and Worship. However, it is presented in a way that appeals to our more mature minds.

We read from the Bible.

We light the Christ candle while we are together to symbolize the fact that Jesus is with us.

We learn many life lessons, and talk about how God, Jesus and the Holy Spirit are part of our lives.

We pray together.

We love doing service projects!

Come join us any time!
