

Circulating Prayer List

The support of a praying congregation during time of crisis and concern cannot be underestimated.

Peapack Reformed Church sends out a prayer list every month to those in the congregation who request it. It helps keep everyone up-to-date on those who are in need of our prayers. We like to update this list each month before mailing. If you know of someone whose name should be added to the list (or removed), or if you would like to receive the list each month, please give the church office a call.

- If you are willing to pray for others and would like to receive the monthly prayer list, let the Pastor know. You will be mailed a list of prayer requests on the 15th of each month. The list will include prayers for healing, protection, thanksgiving, comfort, inclusion and guidance. Only names will be listed, not details about any particular situation.
- If you would like yourself to be included on the prayer list, contact the Pastor.
- If you would like to include someone else on the list, please get their consent first.
